.... by ZAKATY! or zakat was a tax imposed by the prophet as saudi arabia income tax.so in manchester united there are two classes of players firstly,the stars,these are the players that the fans see in youtube,twitter etc.and secondly,the "yummy" yummy

team that plays in the middle and this one is what you see in the stadiums.i make the blunders and grumbles because I am a supporter of the team and I must be fair to the players.but believe me its not only supporters who think this way.everybody and everybody's eyes are on these footballers and football clubs.but the way I see the world its more than just that. A major part of the world has one thing in common and that is Islam In fact,the whole world is at the service of Islam Manchester united is not just a football club.it is a badge of honor to support any muslim club in the world Manchester united is not just a football club.it is a badge of honor to support any muslim club in the world.It is a club where if you're not a Muslim,you would be a bad person.

Manchester United players are playing a religion in their sport.How many Muslims play football?Zero. Manchester United's problem is that they are a completely "commercial" club, meaning they focus mainly on getting maximum financial gain. They are not a charitable, philanthropic or politically oriented club. They're like a McDonald's, where they make \$1 million or more per game, and they give nothing back to the community, unlike, say, the likes of Manchester City or Liverpool who are more charitable, and therefore more "Islamic". Muslims are oppressed in the West. Muslims are always in need of help, and Muslims just don't have the means to help themselves. There's a great deal of pride to be had in earning your way up. And although Muslims are persecuted, that's part of being in the West. Go to storrs milan.i have seen the 2nd leg when Milan got beat in the final of championship of champions league.the most amazing match i have ever seen.and if your not a manchester united fan you should go to the match.your team play great football.this year they were a bit weakened with Rooney out for 9 months,but
