Welcome to the 1940's. Europe is being torn apart by the war, the USA is preparing for battle and the mob does business as usual. Only this time they went too far, even for Vinnie's standards.

Prepare yourself to go to war after you make a shocking discovery about what actually happened during the end-stage of the Thugtown Massacre from Guns, Gore & Cannoli 1.

"Just when you thought you were out, we're pulling you back in!"

Story

1944, the war in Europe is entering its final stage. 15 years have passed since Vinnie survived the Thugtown Massacre. Find out who is chasing Vinnie around like a dog, turning all his friends into foes.
