Go ahead, download now and enjoy !!! I hope you found this introduction useful! Best regards Alice King Dx ball expert. -----

----- Below you can find all the new features of Super Dx Ball Deluxe 11: And here is some more info about the game: Here are some screenshots of Super Dx Ball Deluxe 11. You can see them courtesy of Alice King : Here is some more coding by Alice King (new high scores, better gameplay, bug fixes): coding for all levels. A new feature is available now on xmb2. It's that you can play many games at the same time (recommended to 2 people). You must play too though, or else it will crash. It's done on purpose because it's a beta. The scoreboard is more interesting now. For example, it shows your xmb1 level score! Also, the levels are different from the original. You can lock yourself in some places! When you think about it more, there are some things that do not work perfectly (AI errors sometimes appear). But if you have any question, feel free to contact me on msn : aliceking92@hotmail.com Here is a new video about Super Dx Ball Deluxe 11:
