African Adventure[edit]Zoo Tycoon 2: African Adventure, released in May 2006, adds various new African animals such as the bongo, secretary bird, ratel, and the meerkat, and allows the player to drive through exhibits with African-themed jeep tours to get closer to them.. Guests will visit the zoo to see the animals, and they also have needs that need to be fulfilled through scenery and buildings (hunger, thirst, bathroom, seating, entertainment).

The expansion also has a feature called 'variant skins', which means that when the player adopts an animal, it may look different from normal members of its species (such as a white Bengal tiger and king cheetah).. In both of these modes, players will have limited money to manage and will start with limited access to animals and items, with more becoming available as zoo fame level increases.
